INTRODUCTION

Dear Potential Sponsor,

The UT Dallas Pre-Dental Association along with students and faculty of Texas A&M School of Dentistry are excited to announce the 13th year of Miles for Smiles! To raise awareness about the importance of oral health in our community, we invite you to join us through sponsorship in raising money to provide quality dental care to individuals in North Texas who cannot afford it.

The commitment of sponsors, our community, and unified dental family has helped us cumulatively surpass \$100,000 in fundraising. This year, we hope to reach a very ambitious goal of \$200,000 in total funds raised. One hundred percent of the proceeds raised goes directly to help patients. As a sponsor, we kindly ask for the support of companies and businesses that share our common goal of increasing oral health awareness!

Sincerely,
PDA Miles For Smiles Committee
